About our CEO

ALFRED OCHOLA

Alfred is the CEO and Lead Software Developer of Aysh Inventions Ltd. He has great experience and cumulative expertise in all the core services we offer at Aysh Inventions Ltd. He has been through rigorous practical trainings in various professional institutions and technology companies. He started professional graphics designing as early as his s.6 Vacation at Monitor publications as an editorial cartoonist, and computer programming as early as his second year at Makerere University in 2014; programming electronic robotic systems at i-Labs. He then went on to learn Web and Software Development using Java, HTML, CSS, SQL and Javascript. He is focussed and a seeker of excellence in all his work. He has worked for some of the top companies in Uganda e.g. MK publishers, Lighthouse Television, Kuzimba Services, Negoce Internantional, Ecopharm chain of Pharmacies, etc. Alfred has had rigorous training in diverse technologies & computer programming from the leading institutions & companies like Makerere University (Bsc. Electrical Engineering 2012-2016), IBM, Oracle, Hipipo, Mojaloop fintech foundation, etc. He works with an equally robust team of young professionals to give Aysh clients the best value for their money as far as all our services are concerned.
