About our CEO

ALFRED OCHOLA

Alfred is the CEO and Lead Product Architect at Aysh Inventions Ltd. He has great experience and cumulative expertise in all the services we offer at Aysh Inventions Ltd. He has been through rigorous practical trainings in various professional institutions and technology companies. He started computer programming as early as his second year at Makerere University in 2014; programming electronic robotic systems at i-Labs. He then went on to learn Web and Software Development (for the web and desktop) using Java, HTML, CSS and Javascript. He is focussed and a seeker of excellence in all his work. Alfred is at the core of all the technologies developed here at Aysh, and has a rich technical network in the sphere of Web & Software Development, and Graphics Design.
